* Only microform issues are available.

** Volume indexes are not available in microform. Shipping and handling charges will be applied. Contact CAS Customer Care for details.

CA Special Price Options

CA Subscriber Special Price

Subscribers to full-service CA (issues and indexes) are eligible to receive a reduced price when displaying or printing abstracts in the CASM, CPlusSM, CASREACT[®], MARPAT[®], MARPATprevSM, and CAS REGISTRYSM files on STN[®].

ACS grant to degree-granting institutions

The 2008 grant rate for full-service CA (issues and indexes-print or microform) \$ 27,180

Degree-granting institutions whose primary objective is the teaching and training of students may apply for the American Chemical Society (ACS) grant toward purchase of a printed or microform CA subscription (issues and indexes). These institutions must have an approved grant form on file with CAS before the grant rate will be accepted. Shipping and handling charges apply. Contact CAS Customer Care for additional information.

Customers may order multiple-year subscriptions to CA, print or microfilm, guaranteeing 2008 grant rates for each additional year. The 2008 CA grant rates (plus shipping and handling charges, if applicable) will be multiplied by the desired number of years. The total price of multiple-year subscriptions must be paid by January 31, 2008.

CAS Small College Program

Applies to colleges in the U.S.A. and Canada offering only undergraduate degrees in chemistry or a related discipline, with enrollment of fewer than 5,000 students.

CA Section Groupings Special Prices

CA subscriber rate	\$	3,385
ACS member rate	\$	746

ACS members are eligible to subscribe at a special rate to one or two different Section Groupings titles. Please note that certain conditions apply:

- (1) The subscription must be for the personal use of the subscribing ACS member (that is, the publication is not to be made available to others in the organization).
- (2) The subscription must be purchased with the member's own funds (not with the employer's funds).

To order CA Section Groupings at the ACS member rate, contact the American Chemical Society, Dept. L-0011, Columbus, OH 43268-0011 U.S.A. Phone: 1-800-333-9511.
